2 The grass grows high, my shoes ain't tied
   Tons of trash outside, the clocks not right
                                        [every verse goes to prior verse]

3 The fridge is fowl, neighbors scowl,
   The dog she howls, the cat he growls

4 Clothes all dirty, house ain't purty
   What ain't got dust got mold or rust

5 The phone's alright but the plants have died
   Lectricity's cut, the gas is shut

6 My agent calls, the auto's stalled
   The toilet's stuck, the bathtub's yuck

7 My ex-wife calls, nother ex-wife calls
   Ex girlfriend calls, mother sister call
 --Nother ex calls, nother ex calls,   *[include last time]*
   Nother ex calls, nother ex calls, nother ex calls

8 Repo man hauls, child he bawls
   Apples fall, the landlord calls

9 Earthquake strikes, tornado skies
   Towns on fire, angry mob outside
