Don't want a woman to take your place

I can't find it anyway

~~I'll take it up the back of the house  
I'll take it up the back of the house  
I'll take it up the back of the house~~

Where's the house <sup>where</sup> she will be  
How will it work out for ~~her~~  
It ~~at~~ you'll be a ~~some~~ to drive

I want a woman like oh my ~~god~~  
Will she be comfortable where she sits  
With I freak out and throw fits and put my phone on automatic  
~~chat~~

Now honey don't get me wrong  
Gonna worship you my whole life long  
But I ~~gotta~~ ~~alter~~ look your picture from the wall

~~cause~~ all you ~~idols~~ ~~you~~ ~~can~~ ~~be~~ ~~it~~ ~~fall~~  
of idol worship and idol thought

Everything ~~you~~ ~~said~~ ~~she~~  
IS worth about as much as the beer I pass  
I'm just babbling ~~in~~ ~~my~~  
I wanna woman like oh ~~my~~ ~~god~~

You can't ~~take~~ take a woman  
I have a woman  
But you can ~~ask~~ <sup>ask</sup> her what you want  
the woman inside

I want \_\_\_\_\_
