

I C Lady All 2/26 ^{B/9}
I met you lady through friends + knew
they took me to your home

~~I could have stayed right away with you~~

But I had places to go things to do

~~and now I look the road~~
and now all that I want to do
is be ~~at home~~ with you

So much has happened since first ^{we} met
~~Now I forget it all~~ I don't regret it at all

~~Then there was one who I ^{couldn't} forget~~
~~But I couldn't let her go and yet~~

~~then there was~~

Then there was one who I tried to forget

I ^{just} wanted to ~~be~~ be alone and blue

Now. All that I want to do

is be ~~at home~~ with you

you were there for me when I gave in
taking me into your light

Now I have got an eternal friend
with me all day and night and you
know all that I want to do

is be ~~at home~~ with you.
