# I look at your pictures

After when I come into my room  
 I look at your pictures ~~and I~~ ~~know~~ ~~what~~ ~~you~~ ~~do~~ ~~down~~  
 Sometimes I don't know what ~~you~~ ~~do~~ ~~down~~  
 When I look at your pictures  
 They're held up by pushpins  
 Not for public view  
 and every time I look at them  
 I remember you.

Before I go to sleep  
 I speak to your pictures  
 Nighty nite baby  
 I say to your pictures  
 One is of your smiling face  
 and one includes your toes  
 and every time I see them  
 there my ~~heart~~ heart goes  
Roar

and always when I look at them  
 it hurts a bit it does  
 and I whisper ~~to~~ to your pictures  
 Do take care my love.
