

I appreciate her kindness  
for a world more deaf than blindness  
~~The last thing she said~~ they she said  
Dont pay me any mind  
~~Now~~ Now there's huffler down the path  
Tried just to catch our breath!

C 12/82  
Once again she looked at me  
~~as if there was something there was something~~

There was something she won't let pass  
A She put her fine hands on my knees  
she sat down upon her ass  
said honest honey

Aunt askin you to be selfless  
~~weren't~~ were talkin about obnoxious  
Baby - stop talkin about yourself

I had merely tried to share  
obviously she doesn't care

at least she didn't say don't be defensive  
and gave me time or space to think

A Wish she wasn't so damn instinctual  
Guess she's askin me to shrunt

Know what she means she impossible  
she ain't askin ~~me to be selfless~~  
B she don't mean to bring no business

We know what she means very well  
C - instrumental guess who's  
A ~~studies~~ where ~~she~~ the hero

Neurotic babbling ~~of~~ or a hard sell  
Deal with the real forget the zero  
Darlin Darlin yes I will - honest honey
