Hi Honey I didn't want to tell you
But I came in
Excuse me
Then again I might
If you don't get your hands off - they
Don't Make me go out there (x4)
There's for me
Listen
look
How about
I won't hurt you but I'll hurt the phone - Sorry
I won't hurt you
Oh
But I can't stay down
Just let me catch my breath
Don't look so scared
But if you don't stop treating me like
Excuse me - Nevermind
Oh.
You say you'll fight for law + Order
But suggest
Like laws that

Now Maybe I'm Wrong
But When I Hear you
You grow up
Do you have to be

4/8 B
~~Just we have a police state to [illegible] and~~
~~Simpleton for the cause~~ ~~How to [illegible]~~ ~~Stealing from~~
You who pleaded for Chessman
You who hates legal murder (a)
You who saved Dennis Banks
You
Do you have to do this to Jack
Do you have to do this to Jerry
Decca is trying to help him
The newsmen were tryin to help him
Hell I don't know ~~Mayb~~ Redford was tryin to help him
Do you have to do this to Jerry
It seems he was framed I don't know
Brubaker said he's dead. There
You say you're not above the law
Do you have to do this to Jack
Is it the Law and Order Votes
It's your career
It's your politics
Cause it's not that you fear
Come on Jerry shoot from the hip
You don't have to be so square
Come on Jerry it's the Wild West
And you're the Governer
And you get from convicts
People will understand
Who's the good guy
Now
and he should
Do you have to do this
to Jack
