On Halloween - Meet Me there

Meet me there by the graveyard
behind the wrought iron fence & the Stone pillars
in the tall weeds
Let's wait for passing children

Here come some now

~~On Halloween~~

Sure to feel those graves behind us
Feel like some poor fellow in the
old honor camp
Buried alive forever

~~at~~ a semi decayed corpse and with one for

Fraid of ~~was~~ disease + ~~was~~ violence
~~but also~~ of plagues + war

but here in the graveyard
We're reminded of that nameless dread
We celebrate on Halloween

Get on my knee
How'd this come to be
a kiss darling please

My love why have my love
