Too late to sing the songs
Just like a flower
Not the flower Paul had come up

Like the lovely ~~rose on the hour~~ E7
That in its youth got plucked

Now you might not be hot shit
~~like the~~ like we hear on the radio
Who turns a phrase, then sings or plays
So we say go go go
But if you want to sing out
E then you're surely one who could
Now break the air because you dare
and not because you're good
