

(Basket of Myths)

I'll be a son of a gun - I'm a child of the sun
 Run tell your men were a nuclear bomb
 Taking it over time the sun is a child of mine
 And glory be - the sun is a child of mine

Ch. 1
 Going to sleep on the deck in the stars pass through my retina
 One two fall asleep - all these stars surrounding me
 Where am I? - 7000 ft above the sea

Ch. 2
 Got a basket of myths - ~~got a basket of myths~~
 Got a basket of myths - ~~got a basket of myths~~
 Got a basket of myths - ~~got a basket of myths~~

I'll be a son of a gun - I'm a child of the sun
 Run tell your men were a nuclear bomb
 Taking it over time the sun is a child of mine
 And glory be - the sun is a child of mine

Ch. 3
 We grow and we ripen and fall - we bounce around like pool balls
 See what it means - ~~a nuclear machine~~
 An accident that arose ~~an accident that arose~~
 Oh Newton - ~~an apple~~

Ch. 4 (Now let us see what's in it)
 Then we got things as they are - shandas and kalpas in cars
 who can it be who is up in the tree
 Taking a look around
 Eureka - what is it he has found

Ch. 5 - (kissed them each with my lips)
