Can't Miss

Well you'd think he'd learned enough - Well you'd think he'd
Well you'd think he'd done his stuff but the na na na na na na na na na
but the na na na na na na na na na na

He just can't miss

can't miss - lord have mercy (no no no)
" " " " " (yeh yeh yeh)
" " " " " (looks at me sis)
the na (whatever it is)

looks at this - lord have mercy - can't miss

Take Willard Tell a Well a quite a fellow
He'd a city so mello string his bow and then said this

Take the red sea Moses shows us all is - roses
Cross & supposes stood at the Red Sea Hey Jakey Look at me

Take the Babe a Batter Eat'em Skeeter Shoes the cat's on
Spat'n graben hat'n point straight ahead and say hey kids

Take you you you Strutt down the avenue
Look up from your shoes - ready for anything just say this
