

Delusion

(May 29)

^C
Once - I was eager to see ^{D9}
Then ^G - it was pleasing to me
^{Am} how was I to know it would be

^G Delusion

~~Soon~~ - it was harder to take ^{F6} ^{Am} ^{F#0}
Then ^{Am} - I could not break away
when ^{Am} was it I finally could ~~stand~~ it

^G Delusion

^{Am} ^{Gm} - Delusion - what a pretty name ^F ^{Bb9}
^{Am} ^{Gm} - Delusion - being in the vines ^F ^{Bb9}
^{F7} ^{Am} - Delusion - ~~no~~ substance made ^{F7}
^{Am} ^{Gm} - Delusion - of all things you're mine ^G

^C
White - there are saints in the street
^G Too - there are angels repeat
But how can I compete with ^{Am}

Delusion

^{Am} ^{D9} ^G ^G
To find it
Never mind it
Won't mind it
One's step ahead behind it

^{F6}
Finally - there is no end ^{Am} ^{F#0}
Precisely because it never begins
How may I make amends ^{Am}
with ^G Delusion
