# Sophisticated Paintless Leisure

The best were down beside the pool  
 They kept all the unspeakable rules  
 But I had the best burglar tools  
 to Sophisticated Paintless Leisure  
 I lay ~~at~~ <sup>in</sup> a chase lounge on  
 the deck until the rest were gone  
 Got wrecked and passed out on the lawn  
 of Sophisticated Paintless Leisure

Oh Cole - God bless your soul  
 How - did you survive it anyhow

What's the point - you'd have an accident or seizure  
~~and there would be a measure for you~~  
~~you'd be taken care of with the plasma and~~  
~~the rest were scarfing up the scraps~~

The guest was upstairs playing craps  
 and would spend his whole life  
 Sophisticated Paintless Leisure

I took the highway to the North  
 and hung to Isabella's scarf  
 and felt like I was gonna buy
