

Back in Taos - what'll we do

got up this morning and sat in the sun getting hotter but still not outside
The suns getting hotter but still not outside
Ah these homes offroad just me away

Now were back in Taos - oh my
Deep in the heart of the U.S.A.

Now were back in Taos now were back in Taos

Back in Taos - it was started by Spain
They lost their deeds but hell they brought again

Now were back in Taos - oh my
Cause they got their bit with the artists and fast foods places
Now were back in Taos - oh my

Take a walk in the plaza
Now were back in Taos

Holy M.S. Holy said Holy Moses
Holy Indians Holy Cow Sure looks a bit less Holy now

Back in Taos - Simple and Pure

But I got a disease and can't find the cure
Every body was proud but now they're not sure
Just for their money keep all others away

Now were back in Taos - oh my
There's always the air and the age of decay
Now were back in Taos
