 I'm called by the wind tonight
 I will try to do it right
 I'm so called I will be with the wind tonight
 If I'm nudged by the couch & night
 I'll be here idly till daylight
 If this comes to be I will be on this couch tonight

 oh - been controlled - I've been blessed
 I trust confess
 cannot see
 that as we stroll
 cannot regress
 to be she unfold
 or find ourselves
 out in the cold

G DB B6M7
 I'm bid to be with you
 That's exactly what I'll do
 If that's true then I might be with you tonight
