

Pray 78] [Will Do it Today]

The law must be mowed
vacume the floor

The dishes all washed, put away

The world must be fixed
It spun off of its course

Will do it today

The dolls to be dressed

Conundrums be guessed

Pinata took down - put away

Race riots be quelled

World peace be filled

Will do it today.  Will do it today

Walked to the restaurant where

We have some coffee Sweet roll there

To play the day and be aware

of what's happening here

The house must be cleaned

and the baby letter earned

Look for the cat that is stray

Super Novas afar

Need to hear how we are

Will do it today.

He was found with a bottle of pills and a bag

World please be filled
Will do it today.
