

You're a Woman Now

call you up this morn and rouse you from your sleep
or could it be your packing now and sorting through the heaps
the Tex-Mex breakfast that you mentioned ~~making~~ ~~think~~ ~~and~~ ~~had~~
but I ~~don't~~ ~~think~~ I'll save my money and I remember you ~~and~~ ~~me~~ ~~and~~ ~~us~~

we walked the same school we lived on the same ~~block~~ ~~city~~ ~~block~~
but we went different ways it was seldom and ~~but~~ ~~you~~ ~~and~~ ~~me~~
I'm a woman now and frankly I don't remember no little ~~girl~~ ~~you~~
Did you "join us" in the ditties that we ~~did~~ ~~when~~ ~~we~~ ~~were~~ ~~little~~ ~~girls~~
~~It was~~ ~~in~~ ~~the~~ ~~fifties~~ ~~and~~ ~~we~~ ~~were~~ ~~little~~ ~~girls~~

we've developed nicely - we've grown and cultural too
we know the dirtiest people - and finally I know you
our bodies are delightful - our minds are keen and clear
we've gone to the East Coast and I've gone to the west
we know you are so dear - how decidedly ~~alike~~ ~~we~~ ~~are~~
we will travel far - but will we ever ~~meet~~ ~~again~~

you're a woman now - ~~appreciate~~ ~~you~~
and madam I appreciate your every move and banter
you're a woman now - we'll meet when we are old
and fold our hands ~~when~~ ~~we~~ ~~are~~ ~~old~~ and be ~~cajoled~~ ~~and~~ ~~scolded~~
I'll ~~come~~ ~~and~~ ~~scold~~ ~~the~~ ~~drool~~ ~~and~~ ~~fondly~~ ~~hold~~ ~~and~~ ~~cajoled~~

as well as being your friend I could be your lover too
I could easily do anything with you
our mothers' hesitations are perfectly correct
I know that I have honor, facilitation and respect
I know since that the possible ~~is~~ ~~simply~~ ~~won't~~ ~~neglect~~
our world and lives are changing sure and ~~quack~~ ~~and~~ ~~quack~~
I wish you could play tin game and do not ~~dear~~ ~~and~~ ~~dear~~
