

A Million Miles Away  
All through the Night <sup>BB9</sup> All through the Day <sup>C</sup>  
The facts are wrong <sup>E</sup> but the urge is right <sup>BB9</sup>  
Were a million miles away <sup>G</sup>

~~Go down South People of all kinds~~  
~~People of all kinds~~ <sup>BB9</sup> People every way <sup>B</sup>  
Oh hearts and minds unite in time <sup>A7</sup>  
Were a million miles away <sup>C</sup>

Poor folks in public housing <sup>Ans</sup>  
afraid of the dealers + books <sup>Ans</sup>  
Disrupting community meetings <sup>A7</sup>  
Demanding that they get the goods <sup>B</sup>  
a lawyer in his Mercedes <sup>Ans</sup>  
drives over to help them out <sup>Ans</sup>  
~~But the cops are too busy to get out a foot~~  
and he speeds off to his <sup>Ans</sup> <sup>C</sup> <sup>A7</sup>

All round the World <sup>BB9</sup> we could work + play <sup>B</sup>  
Confused we fight + cling to the same old way <sup>A</sup>  
Were a million miles away <sup>B</sup>

(A insts)  
How could we let it come so where  
our kids get their skulls crushed in  
Can't quakes in pollution be enemies <sup>A7</sup>  
and people become our friends <sup>Ans</sup>  
Read the papers now who could keep track  
of our various local atrocities  
My next door neighbor comes walkin out <sup>A7</sup>  
+ he won't even talk to me <sup>Ans</sup> how we grow + change  
~~All through our lives~~  
We think we're fond ourselves but friends <sup>Ans</sup>
