

8/79 all my vows are broken hell I'll keep 58
them anyway

The streets are full of violence - they also got
~~the streets are full of violence~~ ~~they also got~~
hell I'll keep them anyway

There's so much to do now
It blows our rocks away
att (oh) and all my vows are broken I'll keep them anyway

Times were sharp I couldn't speak such blasphemy
But brother I learned how
when events find you at your knees eventually
Then can you look ~~see~~ at that you can't keep
and oh what the low down found out

The world lies ~~and~~ promise
My hands are wet with ~~blood~~ stains

Oh ~~And~~ all my vows are broken
I'll keep them anyway
Now rings the ~~beating~~ doorbell
to fetch at ~~the~~ ~~door~~ to meet the ~~frag~~

Oh ~~all~~ my vows are broken
I'll keep them anyway
