

1277) BLANCHES TO BE

124

C F#m) Bm E7
Blanches June
Singing it now, it will repeat
while her face shines, & ease my feet
That lady brought me to ruin
That's why I'm singing Blanches June

G7

C F#m) Bm E7
Blanches June
Sincerity is where there's nothing too much
Golly I swear I'd love just to touch
Her soft face but nothing down
That's why I'm singing Blanches June

C F#m) Bm E7
The lion rides in winter
I am the mouse at its feet
A real beginner
As busy as the Buddha in
So hop up and go off with the King of Beasts

G7

C F#m) Bm E7
Blanches June
I took the drive south to see her on trial
The judge ~~dropped~~ ~~his~~ ~~mouth~~ she just smiled
she led them all out to the moon
That's why I'm singing Blanches June

C F#m) Bm E7
Blanches June

Another beseeched of her how do we care
She answered directly without any bars
When you turn so empty even one's there
Oh honey I sure fell for you - That's why I'm singing Blanches June

D7 G9
