Can't Depend on a GodDamn Thing 140 1/80

D
Can't depend on a goddamn thing
That is why this song I sing
A D
Can't depend, can't depend - can't depend on a goddamn
D
Can't even trust the earth beneath my feet
A D
Cannot trust, cannot trust - can't even trust the good
beneath my feet
Can't depend, can't depend on a goddamn thing
D
Oh
D
Can't fall back on a way of life
A D
There's nothing in this gonna save the ship
A D
Oh there
D
Can't take refuge in anything at all
