She was something to behold
Lady and she moves & was sold
She threw ~~glances~~ glances ~~at my seat~~

~~How she won my loyalty~~
How she won my loyalty

She's my celluloid lover
She's my lady now
She's my celluloid lover
She's my lady now

But I can't go back to the show
Cause I don't have 4 dollars

She's out teasing all the guys
Cross the country
Even though she does not
To her image long I'll stick
