Oh there's various ways that a body can say what it knows
We cheer in the grandstands for geniuses of speed and of thought
admire minds who can take things apart
and love them old smarts of the heart
But who can choose what to do getting caught
Bobby Sue

Seems there's powers galore in excelling
But pictures are held by the look of the face
In a gesture of supers + stars applied up all around dear
There's who would not volunteer for applause and
(after each verse) na na na na na na na na na na na na na

So here's not to the hullabaloo in perfection
And here's not to the victor the victim
For the mind which can solve every query
Here's to Wise ones who know how to choose
Betty Jo
