975 ~~anybody~~ ^{hovers} ~~outlaw~~

Slippery Sam now there's my man
Through he's a sort of outlaw

Can't pin him down to the ole' run-around
Established or underground now -
and ~~he's~~ he's mostly sweet on our fingers, but the
when you need help worst he's there + he's yours ^{corners}

Everybody loves an outlaw
cause nobody loves the law
~~Dependence on~~ ~~just~~ who he takes on.

Jumped out as at it again
he's getting out more
There he goes a fishtailing
From smoking on the back roads
Unlike some - he's got no grudges
did don't talk about the judges

Everybody loves
the outlaw

Everybody loves an outlaw
Everybody loves an outlaw -
a money grabber
the wisest step mother
and everybody love

But a bum who lives under the bridge - he gets on very hostile
It seems that he shunned his own high finances - dropped way below the middle
There's no separate ~~the~~ hearts are warming
He's not ~~having~~ no one ~~to~~ but he knows she counts said well
