Gm

Every morning oh ~~there's other times~~ there's other times

But morning's always got its chance

Every morning oh there's other things in store

Every morning

oh it's easy to forget

Every morning

running like a splat

Every morning

gettin' stretched out + zipped

Every morning

saying 'Yep' she is it

Every morning

gotta let it all slide

Every morning

when the skies open wide

Every morning

gettin' down for the ride

Every morning

get a taste of the wad

Every morning

gearm into the spin as the world crushes in

Every morning

Every morning
