Summer - Gershwin on the radio
I'm alone with you
Cal o' mine? Sure you know oh you make me so
comfortable I can't move

GM7 C D
Been at each other for an hour or two
a day or so ~~back~~ C
Whatever it was didn't last so you

~~I got a new sled and I got off of that too~~

Didn't drive each other crazy, instead we helped each other out

Don't play allow infantile trips like brats

Rollin' over too you was awful glad I knew you

a kiss or 2 will clue into that my hon

I guess this here you could callow Get along by

Storm + Fire ~~the latter ones we got control~~
the former keeps us in

Border Wars - Of pressure fronts and sea air

The power makes me wind
you wrapped presents + did something as well

you made dinner I didn't help

you held me and I held you well
then we did something

what was it we talked of what was it we felt

what was it we thought of what was it we held
Now I'm in the city where you are not with me + got a lot from
I guess this here you could callow Get along by
