

Chapter 6 Granny

5/79 11

Charging full of weightless force
That couldn't hurt a flea
I could have said a great

But that would be the same to me
~~And that~~ and ~~the~~ ^{mighty} ~~giant~~ frightening
Unless in when you ^{stop to} think

There isn't time to grab at that
Like eyes don't fear to blink

When the feeling of behind
Is found within the fore

When ~~you~~ ^{you} above inside ~~of~~ ^{of} ~~the~~ ^{the} ~~world~~ ^{world}
A glow ~~comes~~ ^{comes} through the floor

Those beloved not ~~kept from~~ ^{kept from} death

Forever in ~~our~~ ^{our} needs

Relating warmth to the earth

When walking through the weeds

Oh business ~~never~~ ^{never} finished up

or kindness brought to bear

until in never seeing what's

at hand we burn with wear

Then laying back ~~and~~ ^{and} so tired to rest

Not conquering the Universe

What ever could be better

and in nowhere is there worse

We never get it down - oh granny - never get it down

Never get it grab it have it hold it get it ~~put~~ ^{put} it spot it ^{wood down granny}

Never find it bind it mind it ~~what~~ ^{what} ~~is~~ ^{is} ~~it~~ ^{it} ~~double~~ ^{double} ~~time~~ ^{time} it

But don't we get style when we're open eyed as we get away
