

8/28 #7 57 Last day North F#9
soon B7 I know well pass the eye
we must go yes we must lead
afternoon a breezy - sure not feelin' sleazy
sky lookin' dirty - rain would sure be pretty
But that was just a little - that I'd seen from a window
and now I'm on the porch - it's mostly blue of course

E7 two ants on the concrete sample - pull my feet up got no sandals
D7

Gettin' late in Wednesday C7 wish it was Tuesday
cause this is the last day North A7

A7 Nigori sure was salty - papers here are paltry
Architecture's primo - ~~see~~ meet hippies in a lino

D7 Water is a treasure - artists cannot measure

A7 Sun can sometimes scorch - its four days pass the forth

E7 9th will be a sandin in Santa Fe with Lauren A7

D7 10th we might see Bob + Penn and then its off through Gallup again
and this is the last day North E7

C#7 Last day North F#9 last day here E7

B7 and so forth E9 We have had a fine time dear

A1 Sheep in Maggie's Celler - Gary is her feller
They are out a workin' - we're layin' back a smidge

D7 I guess by now they know though - that's rather than go to off

A7 We'll watch the cats go back + forth - Maximum grasshoppers

E7 It's time to see the pueblo - before the sun will get low

D7 Gettin' late in Wednesday C7 wish it was Tuesday
cause this is the last day North A7
