

Key look who's a coming down the sidewalk
Lots a folks and just plain Blokes they pay attention to
The gate with that ranch hat, Hawaii shirt and Italian shoes
He's walking with his copy of the ~~the~~ ^{U. F. J. J.} news
His name is: Three strikes + you're out

" " " " " " " " " " " "

" 67 " " " " " " " " " " "

Now he's a friend of David - not the one that's me
They raised some hell and now do tell thurs legends on that street
It's not that Glen would ~~get~~ ^{be} caught ~~can't~~ he sometimes get away
What a victim folks for he was black, Jewish & Gay
Dave called him (Ch)

He's not Sammy Davis Jr. on TV
He's no Johnny Mathis with a Tor
No Dupont Circle Princess
No kid born behind fences
How he got there is another story

Last time we saw him was down by Castro Street
Jews for Jesus even thought he ought to be discreet
The Advocate in the bay on an Antidefamation League sheet
They warned of his arrival hush up now the sheets
afair there goes (Ch)
