

# Mary Inspiration 7/82

G (Bb) G  
Mary was a young girl  
+ ~~heard~~ she wouldn't ~~get up~~  
So Mary rejects the world etc  
As brought her by the grown ups  
Mary - Inspiration, Mary

Mary shocked the school dance  
Wearing a funny dress  
+ all made perfect sense  
Considering circumstances

Mary - Inspiration - Mary  
She's no fool - She's not just going along

Mary trusts her own thoughts  
Wearry of the experts  
She's got nothing she's brought  
you know her by her good works

Mary - Inspiration - Mary  
she's not angry - she's not hopeful

Mary's not discouraged  
she lets nothing go to waste  
cutting through these images  
yet she's into form + taste  
Mary - Inspiration - Mary

If she were just she  
and I wasn't me.
