

No sign there

10/79

I remember the fanatics  
 Came running from the attic  
 Screaming + pulling their hair  
 Reading meaning in everything  
 Manoeuvring so cleverly  
 So I was unprepared you see  
 when there were no signs there

Now wilderness  
 as a gift of poetry  
 the virgin free  
 through stained gown  
 but there with a white  
 no wonder  
 all the  
 But if you give your life  
 you go to see your  
 stomach  
 the mid to  
 I know your back  
 name in Bala  
 now wilderness  
 by points

It was even in the trolley

There were advertisements golly

Full of lies deception - seductions and

I got off at the end of the line

went out pictures dandy lions

But the way back I couldn't find

cause there were no signs there

there were no signs

9?  
 squares  
 I saw  
 few were  
 meeting  
 they  
 read  
 Yeah  
 they're just  
 subtle  
 the  
 called in  
 the experts  
 were  
 called  
 where  
 they  
 know

Out there were no signs

We got packed up for the journey

left the cat with Earned

Brought along the maps and flares

We'd prepared in every way

Even went to tripple

But where we were we couldn't ascertain

cause there were no signs there
