Woke up this morning glad I wasn't in Fran
Over here we shunt they're crazy over there they're fuckin' mad
Sure yuff we been bastards and we brought it on our heads
and ~~that~~ we're in for a lot of crap ~~but~~ after all we killed millions
But like most good people + forget all that ^{cause} ~~to~~ consume or reflect or die
and if there's one thought then it is "Oh Prey for the EA
" "EA" "EA"

~~EA~~ A7
Why are people so mad at us - what did we do?
What on earth is all the fuss - what so much do
The ~~air~~ ^{room} is cold + lonely in the slay
Oh Prey for the 49 - oh prey for the 49,

^{A7}
The gangster in ~~the neighborhood~~ diamonds controlled
to those in his way he was ruthless - so he's ^{the neighborhood} ~~always~~ he's good
Now his kids are being held by other pissed off hogs
He's ~~so fond~~ ^{confounded} as ~~his~~ buddies but they know ~~the~~ ^{EA}
Do waves return, Do victims forget
Will tyrants learn ^{EA} has anyone yet
+ I pray ^{EA} for the 49 + I pray ^{EA} for the 49.
