

88 To be tender 9/76

Ab Bbm Eb9
Hm to be tender in hm to be low
with a porous creature like you
Cm

F#m7 Eb9 Bbm F#m7
hm through the winter we moved so slow
and I realized ~~nothing~~ ~~she~~ ~~in~~
tenderly what we'd done

Ab Bbm Eb9
Roughly I moved ~~about~~ papers in clothes
F#m7 B9 Bbm
Carelessly messed up my room
Filled it with ashes that stuffed up my nose
Then gently I put it in ~~sure~~ ~~through~~
arrangements and foldings was soon through

Hm - I'll try to be careful in in Ab honey - please don't get fearful
in Hm - ~~it~~ never with crush you in in Ab I love what we've done
in Hm - I'll learn to be gentle ~~in~~ but my progress may be incremental
But Dm - the world can be rough although it's still got a touch
Dear - sit by my side - here - the earth opens wide

Ab Bbm Eb9
Hm to be tendered in hm to be rolled
and oh to be carried away
To be held by the hands that my hands can hold
To be slain by children of they who
I had once layed away too.
