War is Hell

91

E7

You know they've told us many times  
and it's been written

Been warned by those who survived  
and mourned the dead

and ~~these~~ the words they tell  
It's these that war is hell  
I wonder if we'll get through our hearts

There's signs been left and pleas  
for the passing millions

Movements have arisen to protest  
I heard a vet say well,

It's like they say war is hell  
But you'd hafta of been there to know what you mean when you say it

War is hell - we've been told - War is hell  
and so old - " " " hell

Count the dead get ahead  
Count your loot ~~at the count~~ and the troops (boots)

~~the~~ the ideals + sheets  
War is hell

Now there's hell out there enough  
With or without ~~war~~ it

There's even a case that such things don't exist  
But your kids get killed - don't tell me about it

It's been established pretty well - war is hell
