

What will happen today when you go to school  
what will you find  
what will you learn  
what will you grind  
what will you burn

what will you hide  
what will you seek  
what will you confide  
what will you excrete

what will you breathe  
what will you feel  
what will you peeve  
what will you ~~peel~~ peel

with you study flying saucers  
with you write obscene notes to Mom  
Possibly you'll read Old English Chaucer  
Or learn to make a Hydrogen Bomb

what will you fly  
where ~~will you~~ fall your tears  
where get high  
where disappears
