Why Sit & Worry

DM7 E7 A7 DM7
 What sit and worry about things which repeat
 Or that which we do not wish to come

NGMP
 No by golly Sally lets go walkin

Through the alley
~~all~~ other things will get done

DM7 E7 A7 DM7
~~Then~~ Then get complacent and admit to defeat
 and waste each lovely instant with the sun
 Oh good lordy golly is there no escape from folly
 staining our lives & our loves

D7 G7
 Pick it up, pick that body up, pick it up & get going
 stick it up, stick ~~that~~ up, stick it up the deal

DM7 E7 A7 DM7
 what's the assumption that we ~~that~~ at our feet
 what ~~is~~ ~~is~~ there that we have freely sown

DM7 E7 A7 DM7
 what soil the seeds in ~~dear~~ with these looks to stay that
 what ~~will~~ will we do with what we've grown?

D7 G7
 Dig it up, dig it all up, dig it up if you can
 give it up, give it all up, or keep trying.
