Oh no dont tell me so  
Bill Still had a long way to go

Oh no it cannot be  
Just saw Bill most recently

Take a look at his face  
This is a dangerous place

Maybe vaccinated

Maybe in a safe  
Maybe with the FBI

Maybe in the middle of the day

You dont need no facts  
You dont need clue  
You dont need to  
stunt yourself  
Do you

Though we are in an embrace  
The World is a dangerous place.

This " " " " dan -  
gerous place

Eating on an apple, sittin' in the Sun  
Like a thousand stones ~~and~~ this is another one  
Stranger he come walking by with ~~the~~ ~~the~~ ~~the~~  
whispered to the guy on the ground ~~face~~ ~~to~~  
"This is a dangerous place"
