

E 6 The Mistle & the Rose

Darlin Darlin Darlin said the Princess to the Prince
~~How many people~~ Oh the people that have a ring here
D ~~FA~~ and each has left their prints

and the morning sun is warming us
We'd best be on our toes
For once again we're in the land of the mistle & the rose

Oh darlin darlin darlin said the prince to the princess
~~The~~ smell & see the beauty of these flowers on the fences

10,000 years our ancestors with care and with repose
kindest hands at work in the land of the mistle
+ the rose

Oh Darlin darlin darlin said the princess to the prince
See the tall and shiny ~~with~~ ~~upon~~ ~~points~~ ~~of~~ ~~the~~ ~~land~~
~~guard~~ ~~by~~ ~~the~~ ~~fence~~

No one can imagine all the horror in its pose
~~at least a shadow~~ ~~of~~ ~~the~~ ~~land~~ ~~of~~ ~~the~~ ~~mistle~~ ~~&~~ ~~the~~ ~~rose~~
surrounded by the ~~of~~ ~~the~~ ~~land~~ ~~of~~ ~~the~~ ~~mistle~~ ~~&~~ ~~the~~ ~~rose~~

Oh Darlin darlin darlin said the prince to the princess
See the children in the garden
Through the roses lenses

~~with~~ ~~the~~ ~~love~~ ~~that~~ ~~in~~ ~~our~~ ~~hearts~~
How happy I am to be in the land of the mistle & the rose
Oh good goddess how I show

Oh Darlin Darlin darlin said the princess to the prince
Look they play within the shadow of care and weeps

Let us ~~to~~ ~~each~~ ~~other~~ and hope us all with blows
