

The Purpose of life

The 1st purpose is to be happy. The 6th said the Butcher to the thief (purpose fulfilled) Don't go round feeling Grumpy. At last they your beard trips on the... It's merely the 2nd to be loved to be undone its pretty hard to do. ~~you got that gun~~ The thief paused. If you would put down that gun ~~to think~~ the butcher you would be loved for. More Fast and sliced off the hand. The 3rd purpose is to be around and sliced off the hand and the butcher continued to expand with the gun. The purpose of this life. The 4th purpose is to be helpful. I'm trying to ~~be~~ be to you. N don't gonna try to help you or other like you asked me to do it. The 5th purpose is to survive and theres far better ways than that. This means simply be true to ~~your~~ your time and don't waste it.
