9-10/78

Bob is at the Table - Penn is by the Fridge

ly + I with them in the bare bones kitchen  
spend most of our time in it  
Handwork in the wee front yard  
Cottonwood in the back

Side yard too shy to plant  
an empty chicken stock  
we sit and drop our minds out on the bare wood whatnot

Bob is at the table - now Penn is by the End

Bob is at the table - Penn is by the door  
Guess we'll go and find the spring  
and been there before

Desserts creepin' up on us  
150 called Spanish hours  
Drink Joalpeguera  
See a film about home  
Smoke some ~~chairs~~ some joke some sluts some

on our tired old bones  
Bob is at the Table - Penn is by the Phone

Bob is at the table - Penn is at the wall  
Larry's making's strangest sounds  
He must have learned in Roswell

Find <sup>in</sup> adobe room after room  
Glass eye in a drawer  
Kiss in bath in sleep there soon  
But the kitchen's never fat?

Five days passed there like magic we drove off right with moon

Bob is at the table - Penn is at the window  
How do we construct it - it simply can't be done

Five days of damn nice feeling - 5 days of damn good fun  
We left well fed and ~~happy~~ <sup>partly</sup> anabolic head in west  
I guess I'll make the ~~table~~ that which I remember best

Bob is at the table - double wall and left Bob's time - 4th Penn is at the

Just a few more jokes some
