Things Are Born Fast as They Die

^x ^{grid} D6 Gm7 C9 E9 C7 FM7 Eb9 D7
 Although you could say it will not last
 Although it could say you won't last too
 Although it'd be fast to tell
 But it's not sad only as you imply
 Everything slips outa hand
 Everything slides to its end

CHORUS:

But things get born fast as they
 things get born fast as they
 things get born fast as they die

A A7(bass) D
 Lovers - theres your prime example
 Look at the media - talk to your friends
 Delight, delightful moments
 Nice to have, sad to end
 Children and precious possessions
 Mountains and some moments
 This dear forgotten body within in the lobby

^x D6 Gm7 C9 C7 FM7 Eb9 D7
 Although you could say it will be gone
 Although you could say then it'll get the blues
 Although Blues is hard to fight
 But when a thief cannot be denied
 Well it went by just like it never happened
 Regardless of the strength of habits

CHORUS:

It's no consolation in the form of a prize
 But balance it out when you see where it lies
 and notice... CHORUS:
