

I remembered my dearest darling 10/78

A
(I remembered my dearest darling
But + forgot about my friend

Ch. Yes I remembered my dearest darling
But + forgot about my friend

D> " " " " "
Box of candy wrapped in paper tightly closed the is carded
Gave it to my dearest darling saw my friend who looks dejected

(Ch) D> - felt disenchanted
Floated with the roof a flood had swept us all downstream
Pulled my dearest darling in with a little finger my brown hair

(Ch) Went blind
gently but

at the auction for the 5 faces on the rescue ship the faces
of my darling and my friend come back to haunt me now then
she left me on the dying earth for a man of greater worth + worth
as the craft left rockets blasted
Me + friend stood in disaster
He only had one bandaid "here"
He gently gave me said "don't fear" - my eyes leared
