Sit down at the table

People like all times before
Eating dinner at the table
while the dog waits on the floor

Fireside - boggle
Dishes and coffee too
Bedtime children

~~Ocean in the background~~
~~Brings undertones into the room~~

at least the sleepy one of you
Ocean in the background
Brings undertones into the room
TV Peaching

Later we will gather there
one child's lurching

Making paper hats delights
