

9/78 Follow your Wanting

What do do oh Mother mine

In the wide wide world Someday?

What do I do oh Mother mine
In the wide wide world Someday

Oh Follow your wanting oh darling mine
Oh Follow your wanting today

What do I do oh Mother mine if I should go astray
Ch. (follows each verse) (Chorus) (repeat)
(then I'll thank you) (I'll thank you) (I'll thank you) (I'll thank you)
(Follow your wanting by the side of your head)

--- if I should cause a fray
Ch - I'll do as I feel oh darling mine
so watch if you get in my way

Ch - ~~if I should~~ have to face me oh darling mine
a sitting in my lap

--- if I should make you proud

But it's nothing that I have ruled out

Oh follow your wanting - follow it down
Follow your wanting - what else can you do
a a a - My darling son
