

Dear

When will you get here

4/78

When will you get here
 you might be long
 I'll just sit and wait
 on this guitar till you get here

Where have you been all day
 you won't be long
 so I'll just wait away
 on this guitar till you get here

The soccer game could not take place
 how long do soccer games take
 guess you went shopping or out
 or stopped to buy the book a shake

Soon I'll hear your
 dropping on the gravel
 till then I'll just
 on this guitar till you get here
