

IT seems that way 9/78

It seems that way she said - ~~Bound~~ ~~bound~~ ~~bound~~

Sitting on the deck - it's great but what the hell
just seems that way she said - ~~bound~~ ~~bound~~ ~~bound~~

It's so good to be here ~~to be here~~ ~~to be here~~
To be round those wires with ~~the~~ ~~the~~ ~~the~~

The evenings bring us to the front
of what we see in hot pursuit.
Cool and foggy ~~with~~ ~~with~~ ~~with~~

(Treasures in the trunk - but it goes clunk)
The house is by the sea ~~and~~ ~~and~~ ~~and~~

The wind is shown by leaves - Dog on his guard
Hands are cutting ~~the~~ ~~the~~ ~~the~~ cards and carrots
People pass a bottle - share it
Gradually were underneath a sky of stars
Who she looks at she - what is it that she means?
