2/79 Back in a flash 1

Am
and I'll be back in a flash
with more trash you can't ask
for a better goodbye
for more than that

Am
I'll be back in a flash with more trash
You can't ask for a better goodbye
I'll be back in a flash with more trash
you can't ask for a better goodbye than that

Oh Am Sunny
gotta go for a bit or a while.
(1) Keep your smile keep your smile
and think about the abandon, abandon
and think about the abundant abandon you've
got it down pat now I'll sing

Oh
(3) Oh Am Sunny stand forever with your own unique
the one that you stole from Priscilla the hero
that you've become don't mope to me
and I know you get pretty jaded in your slow
and I call out to whom I now barely greet
