I've got a flu

all I feel like today  
 is ~~wasting~~ <sup>time</sup> ~~and~~ <sup>and</sup> ~~nothing~~  
 I've got a flu  
 No ~~forget~~ <sup>forget</sup> that I do  
 I know ~~it's~~ <sup>it's</sup> quite well  
 and it gets in your cell  
 and I've got a flu  
 By the way how are you  
 I've got a flu

While <sup>our</sup> ~~corpuscles~~ <sup>corpuscles</sup> do your stuff  
 I have had it that's enough  
 Mass your armies prepare the attack  
 Hypothalamus - did you hear that

I wanted a rest  
 and ~~to~~ <sup>to</sup> ~~do~~ <sup>do</sup> it the best  
 Further I've got a flu  
 um sit and garden  
 But it's ~~hard~~ <sup>hard</sup> now to move  
 To Massacre this ~~flue~~ <sup>flue</sup>  
 Till then ~~the~~ <sup>the</sup> weather and ~~stooze~~ <sup>stooze</sup>  
~~and <sup>the</sup> ~~state~~ <sup>of</sup> ~~the~~ <sup>the</sup> ~~middle~~~~  
~~and <sup>do</sup> ~~what~~ <sup>I</sup> ~~do~~ <sup>it</sup>~~  
~~when I've got a flu~~  
~~by the way~~  
~~I've got a flu~~
