

3/29 On the One + One

Bring along that jug of wine
 One second thought led it behind
 Cause lady well be ~~lots~~ fine
~~and the road was~~ Doncha' mean how
 + guess that means that we want need
 The ~~thing~~ that you gave me
 So bravely ~~let~~ let us proceed
 On the one and one

2
 I reckon you want give a hoot
 If + wear your ~~boots~~ boots
 And we can ~~take~~ take a little
 For when our waters come
 We want stop to take a look
 Cause ~~we~~ did you give me flask
 So ~~lets~~ get going now were packed
 On the one + one

~~Sometimes~~ in a crowd
 So at home in anonymous splendor
 Sometimes ~~in the~~ gettin' out
 Sometimes ~~with the~~ boys out on a bend
 Sometimes ~~with the~~ ~~with the~~ ~~with the~~
 On a solitary ~~part~~ ~~part~~ ~~part~~
 But now what do I talk about
 It's been on the one + one
