

Persuasion

2/29

A  
 When they tried their chains  
 I just used my hands  
 So ~~it~~ it was very plain  
 That chains would never do

AM  
 When they brought out the rope  
 But ~~when~~ I learned so cope  
 Course they gave us hope  
 Their ropes ~~just~~ just slid through

AM  
 So they'd set a trap  
 I had to figure that  
 Got away like hell's own bat  
 But they had to regroup

AM  
 So when they changed their tack  
 Tried to ~~slip~~ slip and chat  
 He ~~with~~ sneaked out back  
 They thought they had a camp

F  
 Reason and logic were next  
 I made the place a wreck  
 What the hell did they expect  
 I unrolled em till they were through

A  
 They got on their knees and begged  
 Supposing I pitied instead  
 I merely stole their bread  
 From hip pockets ~~and shoes~~ and shoes

AM7  
Threats were right on time  
That ~~didn't~~ <sup>couldn't</sup> change my mind  
Humbly exposed my behind <sup>EM7</sup>  
and laughed at the tactics they used

AM7  
Bribes were the best <sup>A7</sup> I got  
They really had my weak spots  
But <sup>EM7</sup> I wasn't hot to trot  
and <sup>EM7</sup> they really had them confused

EM7  
Trucks followed - they all failed  
Hoodlums were hanged - they got nailed  
Every tactic <sup>EM7</sup> I assaulted  
and then <sup>EM7</sup> my raspberry blew

and when they had <sup>EM7</sup> ~~lost~~ <sup>fully</sup> given in  
they <sup>EM7</sup> ~~tried~~ <sup>tried</sup> treated <sup>EM7</sup> ~~me~~ <sup>my</sup> ~~friend~~ <sup>friend</sup> ~~7~~  
He <sup>EM7</sup> ~~came~~ <sup>came</sup> over and walked right in <sup>EM7</sup>  
Oh <sup>EM7</sup> what a little business can do
