

Poor little Mouse

3/12/29

She had it in for him
 Her too good out for her
 She had a whim & then
 Edge a try eye a blur
 Water like a cat in the night
 Poor little mouse - at Poor little Mouse

His mother fought him well
 for family fight they too
 He had not figured how
 to nullify the Schrew

Oh Eaw
 Mousy with dry coat so sleeps
 Gifting by oh wheels by wheels
 Mousy with dry tail so long
 Farmers wife would cut so warm
 Mousy with dry clock so tall
 Pretending you're not up against the wall
 Farmers plow done wheels your place
~~and Farmers sign and hung his face A~~
 He sighed and remorseful that he likes we all
 Gang apt agley

His cousins treat him like the Stogges
 at ~~sevents~~ he's trodden by ~~Stogges~~ peers
 She is mixing up her rouges
 Will she be the one he fears

Ch. E
 Sitting silent in the yard in the night
 Simple moments ~~and~~ ~~as~~ ~~the~~ ~~light~~
 He is just his habits' ward
 She is too but can she fight
